The Finest Imported

HOLLAND GROWN

Ten of the finest varieties of Tulips. Especially imported from Holland. Fine, large, clean, healthy bulbs, average 4½ inches around. Will bloom next spring.

(1) Argo. Deep coppery bronze, flushed red.

(2) Rev. H. Ewbank. A blend of orchid and silver.

(3) Pride of Haarlem. Intense dazzling scarlet.

(4) La Tulipe Noire. The deep purplish black.

(5) Inglescombe Yellow. Blooms of clearest yellow.

Rosabella. Deep pink, silver blend.

Louis XIV. Deep purple and gold shaded. Excellent.

Afterglow. Bright burnt orange, with golden streaks.

Orange Prince. A beautiful large bloom of brightest orange.

Panorama. Blend of apricot and deep golden bronze.

Ten of each of the 10 varieties listed or your selection of varieties and quantities.

Hyacinths

Crocus

We offer four bright colors of Crocus in blue, yellow, white, and white with lilac stripes. These little bulbs are among the first flowers to blossom, often before the late snows are gone. Plant in clusters around shrubs, trees, or in the lawn, and they will come up year after year. 6 for 25c; 12 for 40c; 50 for \$1.50.

Crocus

Krider's Best Chrysanthemums

WILL BLOOM IN SEPTEMBER

This list of fall Chrysanthemums contains new varieties that bloom fully one month earlier than others. They are colorful and their blooms grow in profusion.

EARLY BLOOMING 'MUM COLLECTION

One each of the six varieties illustrated—two-year field grown ready to bloom.

20c Each or All Six

only \$1.00

POSTPAID

ALICE HOWELL. A compact flower, with petals effectively colored with yellow and orange tips. It is a fine bloomer and rather early.

BABY DOLL. This is a Pompon type, very compact grower, blooms early with a rich coppery bronze color.

FIRELIGHT. A fine large, deep mahogany-red variety which blooms early and very freely. It is one of the most outstanding kinds.

MITZI. A rich, buttercup-yellow, well formed and early. It is one of the showiest types and very delightful.

BEATRICE. This is a large flowering pink type, the flowers so dark pink as to be almost red. It blooms abundantly and stands the severe northern winters.

WHITE DOTY. Tall and free, close-quilled florets packed into imposing tufts on the leader. Milk white, somewhat creamy at center. Flowers very big.

One each of the six varieties illustrated; two-year field grown, ready to bloom, 20c each; or **\$1** six postpaid for

Krider's Gilt-Edged Guarantee

We guarantee to deliver nursery stock anywhere in good growing condition. This guarantee insures you against loss in shipments. Remember, a plant is a living thing the same as any animal or human being. It feeds, drinks and breathes, and is subject to attacks of insects, diseases, and drought. We guarantee that each plant, shrub, and tree shall be true to name, otherwise we will replace free of charge or refund purchase price of any proven not to be so.

Daphne Cneorum

Daphne Cneorum

Thousands paused to admire the Daphne blooming in our model rockery at the World's Fair in September and October. It is a very dwarf shrub, almost evergreen. Soft pink flowers appear profusely during April and May, and at intervals throughout the summer; very small and dainty in terminal clusters, with a distinct and very pleasing sweet fragrance. 6 to 8 in., 8-year-old, only 75c; 3 for \$2.00, postpaid.

Blue Bird Veronica

This beautiful plant has long bronze-green leaves and numerous indigo-blue flowers. Blooms continuously July to September. Be sure to include this in your garden. Two-year plants. 30c each; 3 for 75c, postpaid.

Blue Bird Veronica

Silver Lace Vine

A Lace Curtain For Your Garden

Polygonum Auberti. Always scarce and in demand is this charming climber which will clamber gracefully over a trellis, porch or arch, or upon any support which may be devised. It grows rapidly, averaging 25 feet in a season. A well-grown specimen is a cloud of lacy, misty white with tints of cream and pale rose, and of most exquisite effect. Only 50c each; 3 for \$1.35, postpaid.

Silver Lace Vine

Blood Red Japanese Maple

Rounded, dwarf trees seldom maturing to over 10 feet, densely furnished to the ground with indented leaves of unrivaled brilliancy and charm. Price: 6 to 12 in., \$1.00; 24 in., \$2.50, postpaid.

Blood-Red Japanese Maple

• America's Newest and Best Phlox •

KRIDER NURSERIES are one of America's largest growers of Hardy Phlox. The soil of Northern Indiana is recognized the world over as being ideal for their culture, and you are assured that when you order Hardy Phlox from Krider, you are going to get as fine plants as is possible to grow.

All Are Heavy Two-Year Field-Grown Plants

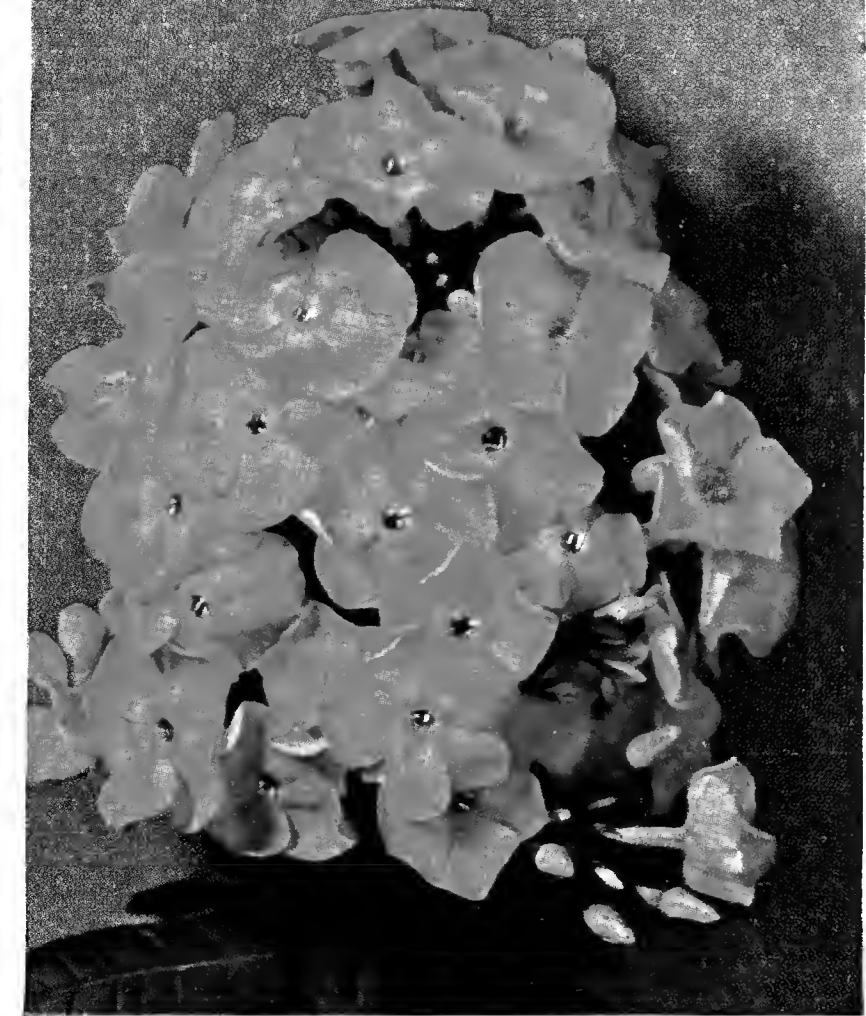

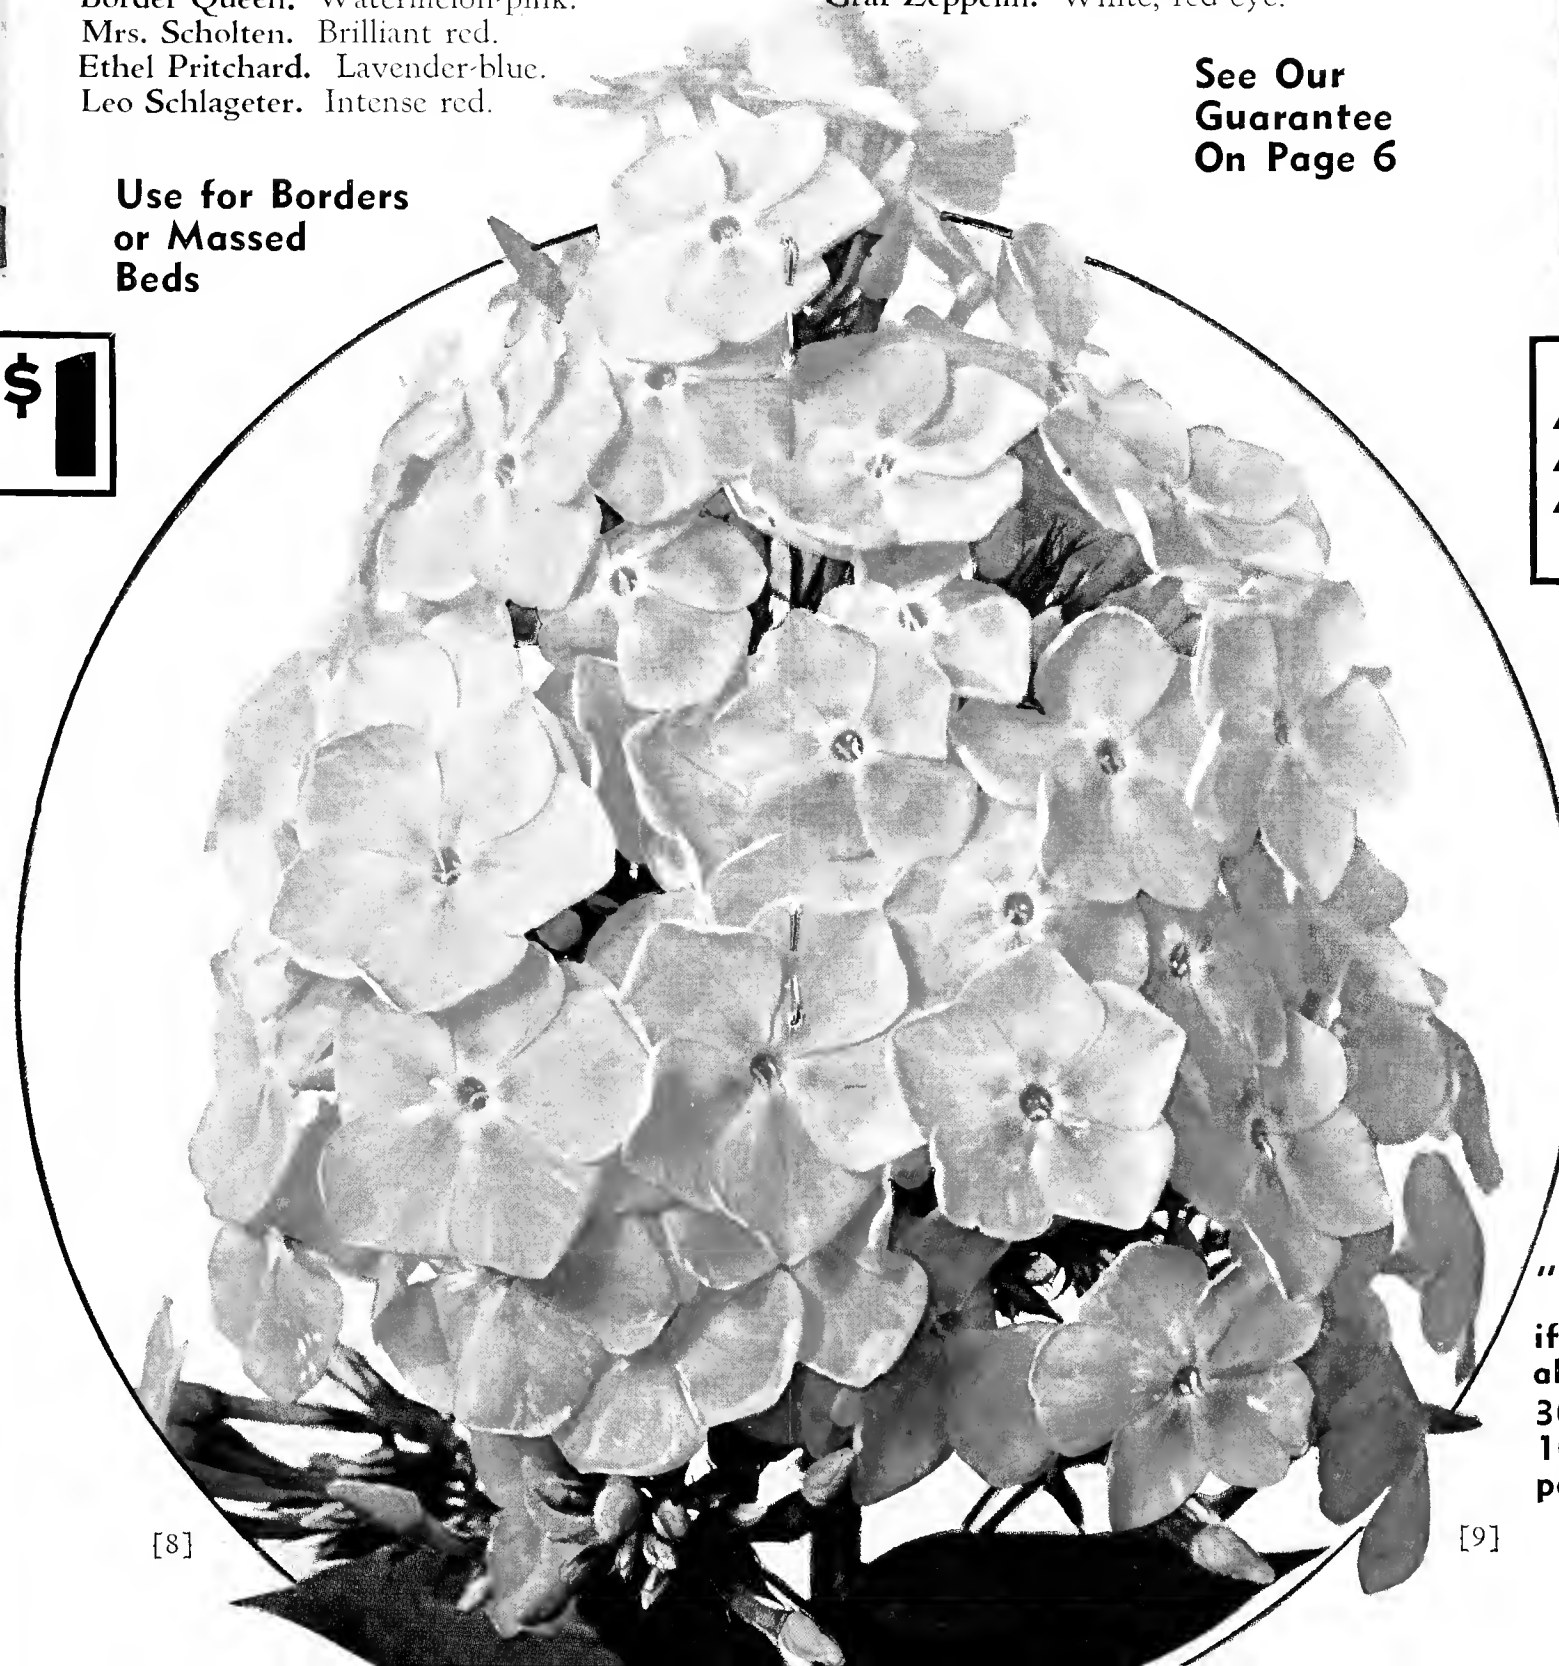

In addition to the gorgeous varieties pictured we offer the following varieties:

Thor. Deep salmon.
Europa. White, red eye.
Milly Van Hoboken. Shell-pink.
R. P. Struthers. Coral.
Bridesmaid. White, red eye.
Border Queen. Watermelon-pink.
Mrs. Scholten. Brilliant red.
Ethel Pritchard. Lavender-blue.
Leo Schlageter. Intense red.

Caroline Vandenberg. Blue.
Innocence. Pure white.
Rosenburg. Dark purple.
Wm. Kesselring. Purple, white eye.
Enchantress. Large, deep pink.
Graf Zeppelin. White, red eye.

[9]

English Violets

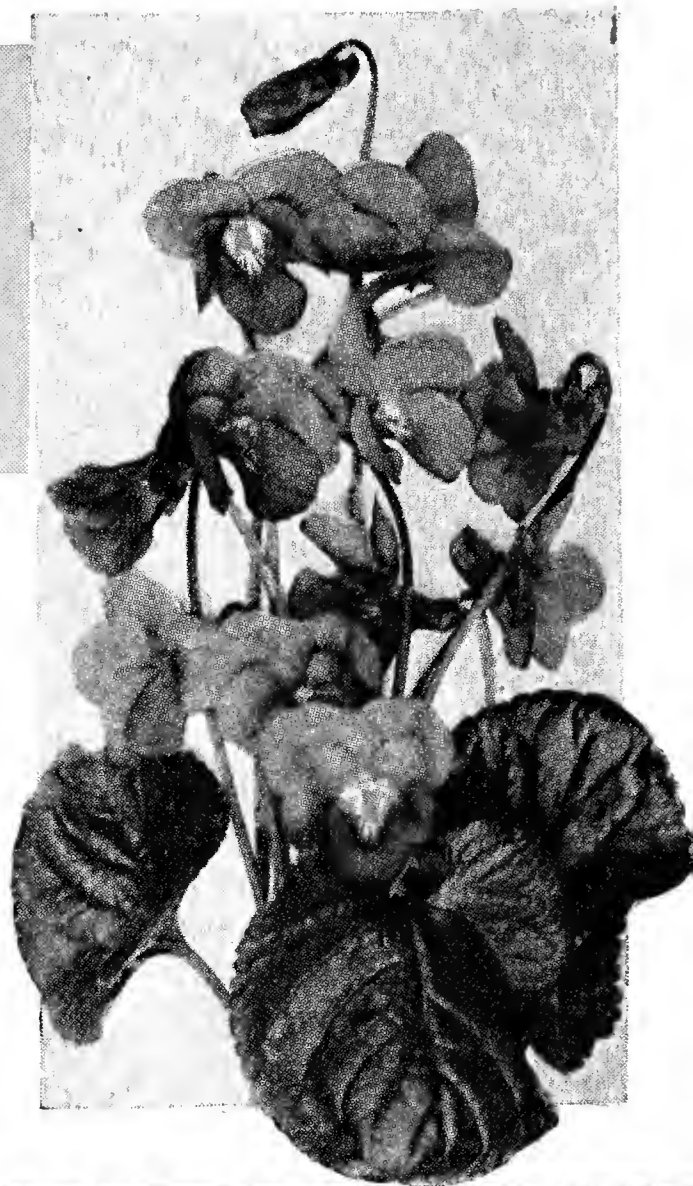

For the border of your perennial bed nothing can equal the beautiful English Violet. Broad heavy foliage of a wonderful green. Flowers of a deep purple-violet borne erect on graceful stems. Perfectly hardy and one of Nature's true gems. Heavy 2-yr. plants. Priced at only 25c each; 3 for 70c; 6 for \$1.20, postpaid.

Pyrethrum

(Painted Daisy)

Daisy-like flowers in white and colors. The flowers are borne on long stems and are fine for cutting. Fernlike foliage. Prices: 20c each; 3 for 55c; 6 for \$1.00.

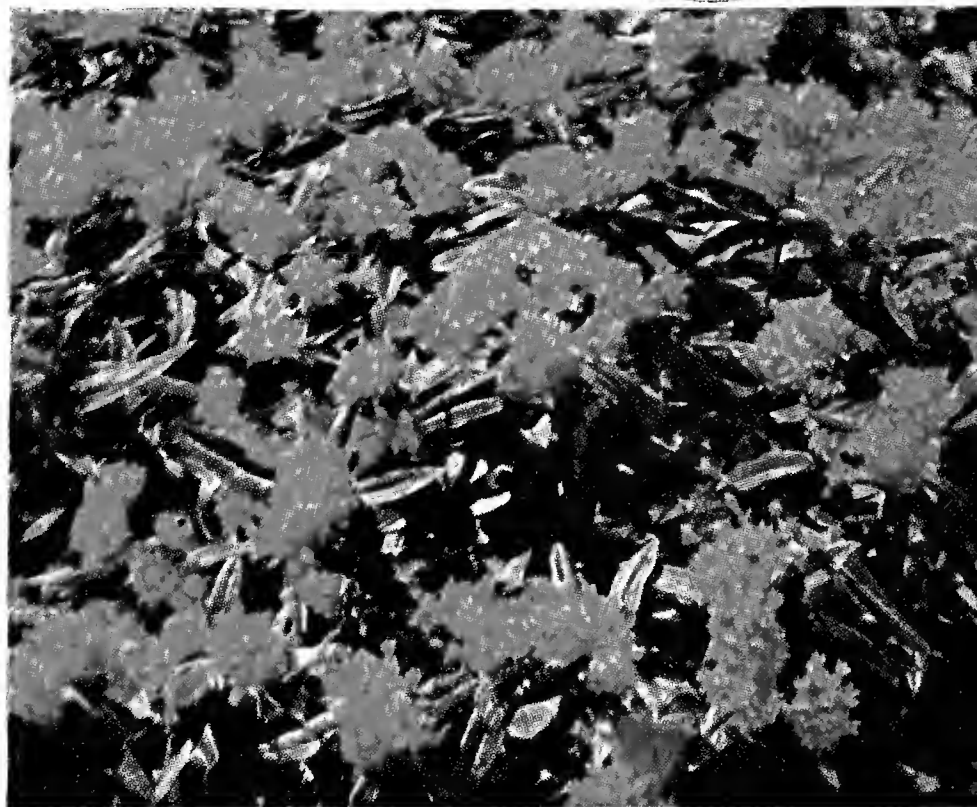

New Orange Butterfly Plant

(Asclepias Tuberosa)

THE ONLY HARDY PLANT HAVING TRUE ORANGE FLOWERS

This attractive plant produces an immense number of flowers during the months of July and August. Brilliant orange. It can be successfully grown in any type soil in any locality. Withstands the most severe winters and the hottest summers, producing flowers year after year with no attention. Order early, as we have a limited supply. Strong blooming size plants specially priced to introduce at only 25c each; 5 for \$1.00, postpaid.

KRIDER'S Great New Dianthus "Flaming Star"

One of the finest new plants ever introduced for the rockery or perennial border. Hundreds of flaming star-shaped flowers borne on a dwarf bunchy plant resembling a pincushion. Bluish green foliage makes striking contrast to color of flowers. Perfectly hardy and blooms year after year with no attention.

NOW AT A NEW LOW PRICE
25c each; 3 for 70c; 6 for \$1.20, postpaid.

Pink Cushion 'mums

Bushels of flowers. The most spectacular plant introduction made in years, and the most sensational new plant at the 1934 Century of Progress. A large plant which is completely covered with delicate pink flowers all through August to November. The quantity and brightness of its flowers make it easily the beauty spot in any garden. A bargain at these low prices. Blooming size. 25c each; 5 for \$1.00, postpaid.

Yellow Cushion 'mums

Don't fail to get this gorgeous plant for your home gardens. Has all of the characteristics of the famous Pink Cushion described above. Hundreds of beautiful clear yellow, perfectly formed flowers the first year. More each succeeding year. Perfectly hardy anywhere. Get several at these low prices. 35c each; 3 for \$1.00, postpaid.

Lulu A. Neeley

Hybrid Delphinium

Genuine New English Hybrids. These are not the ordinary Delphiniums. The flower spikes are extremely large and attain a height of 4 to 5 feet. Many are double and semi-double. Words cannot describe the beauty of colors found in this elegant strain. 2-year plants, 25c each; 3 for 60c; 12 for \$2.00, postpaid.

Exotic ORIENTAL POPPIES

No flower gives quite that dash of brilliance and bright charm to your garden or perennial bed that the Oriental Poppy gives. They are easily grown, last for years and the newer improved varieties have color and shading beyond the power of words to describe. We offer three of the best.

MRS. PERRY. Apricot, blended lilac.

LULU A. NEELEY. Immense, rich red.

WURTEMBERGIA. Unique glowing rose-salmon.

SPECIAL PRICE: 30c each; 3 for 75c, postpaid.

Krider's Choicest Shrubs, Trees and Vines

All Shrubs, Heavy 2-Year Blooming Size, 40c Each; 3 for \$1.10, Postpaid.

Barberry, Green

No shrub in existence is so generally planted and has so many practical purposes as Japanese Barberry. It hasn't one serious fault, and can be grown in semi-shade, moist, dry or sunny locations. When grown as specimen plants or as an edging to taller shrubs its graceful arching branches, covered with the most luxuriant deep green foliage in summer and beautiful bright red berries all winter; are the most attractive sight imaginable.

Barberry, Red Leaf

Similar to B. Thunbergi in all respects except that the foliage is of a bronzy red color which turns to fiery red in autumn. Plant in full sun for best results.

Fire Bush, Cydonia Japonica

Very early in the spring this fine attractive shrub is completely covered with dazzling scarlet flowers which are followed by small fragrant quince-shaped fruits. Foliage is dark glossy green.

Forsythia

SPECTABILIS. The earliest blooming. Lights up the garden with glinting masses of yellow very early in the spring, before the leaves appear. These bright golden flowers often appear before the snow is gone and are twice the size of the other varieties. Thrives in any locality. Tall grower.

Bush Honeysuckle

For a tall hedge to screen an unsightly view there is no shrub so valuable, as it will grow from 10 to 12 feet high in a few years. Besides it is a beautiful thing both summer and winter, as it is the first shrub to clothe itself with leaves in the spring. Its light crimson flowers and luxuriant foliage are a delight in summer and the thousands of bright berries give a charming touch of color to the winter landscape.

Beautiful Hydrangeas

PANICULATA GRANDIFLORA. Flowers in August in huge panicles from 8 to 12 inches long. Blossoms first a delicate pink changing to bronze and lasting until autumn.

ARBORESCENS GRANDIFLORA (Snowball Hydrangea). White flowers in June and July. The most hardy of the Hydrangeas and especially useful for shady places.

French Lilacs

New large, very fragrant. The newest varieties in four colors. Red, white, pink and blue. Two-year blooming size plants. Each, 50c; 4 for \$1.50.

Common Snowball, Opulus Sterile

A fine shrub, 8 to 10 feet tall, bearing globes of snowy flowers in May. One of the old garden favorites.

French Pussy Willow

(Salix Discolor)

A small tree with attractive leaves 2 inches long by an inch wide. Its popular appeal is the conspicuous silky catkins which bud in the fall, and make such delightful "springy" bouquets just as the snow is melting away.

New Snowberry

The Snowberry is the greatest shrub for shady places that we have ever seen introduced. It grows to a height of 4 feet. Has long branches covered with lacy leaves. The branches are covered in late fall with a mass of berries. Don't fail to plant some of these in your shady locations. We can furnish them in red and white.

Spirea

ANTHONY WATERER. Low-growing, very bushy plant that bears small heads of bright crimson flowers in July and August, or you might say on until frost. This variety rarely exceeds 3 feet in height and is valuable for planting in front of taller shrubs.

CALLOSA FROEBELI. Large flat clusters of pink flowers nearly all summer. Dwarf in habit. Fine for border plantings.

Mock Orange

VIRGINAL. Blooms throughout the season. This is a new and wonderful addition to the Mock Orange family and is far beyond anything in this line that has been brought out in the past. It is without question one of the most beautiful shrubs and once it becomes known will be planted on every home ground.

Weigelas

FLORIBUNDA. The everblooming red Weigela floribunda surpasses everything in a red-flowering shrub. Much hardier than Eva Rathke and a better red flower. The flowers commence blooming early in the spring and bloom profusely all summer long. The leaves are glossy green. Every customer should find a place for several of these beautiful shrubs in their border plantings.

ROSEA. One of the finest of the family, tall growing and vigorous with deep pink flowers. They blossom in profusion in June and show some flowers throughout the season.

Hardy Amoor River Privet

THE HEDGE SUPREME

Foliage shiny dark green, leaves medium large. Not subject to blight. Very hardy. Rapid grower. White flowers followed by tiny red berries. Plant 9 to 12 inches apart, and prune severely for a dense stocky hedge. 2-yr., 18 to 24 in., 3 canes, \$3.00 per 50; \$5.00 per 100, by express.

Bush Honeysuckle

Grows to a height of 8 to 10 feet with upright, somewhat spreading branches and bright green foliage. Bright pink flowers are borne freely in May and June and are followed by showy red berries which ripen in midsummer and cling to the bush for several weeks. This is the best shrub for a high compact hedge, for a screen or to attract birds. 2-yr., 18 to 24 in., 30 for \$3.00; \$8.00 per 100.

Maples

SILVER. The best and most popular of all Maples for quick and good shade. Excellent for street planting. Leaves silvery green, slightly cut-leaf. 5 to 6 ft., 50c; 6 to 8 ft., \$1.00, by express.

NORWAY. This is an exceptionally fine, hardy large-leaved shade tree, giving denser shade than the old Sugar Maple. We offer these at 6 to 8 ft., \$1.50, by express.

SCHWEDLER'S RED MAPLE. Noted for its red leaves, which open pink in the spring and gradually turn to red and reddish purple in fall. 6 to 8 ft., \$2.00, by express.

Tulip Tree

One of the loveliest of our native trees, of tall pyramidal habit with tulip-like flowers. Flowers are yellow, marked at inside base with orange. 5 to 6 ft., \$1.00, by express.

Cutleaf Weeping Birch

Most graceful of the cut-leaved trees. Branches are pendulous. Bark is white. Plant 10 to 20 feet apart in groups of three. Excellent as specimens. 5 to 6 ft., \$2.00 each; 6 to 8 ft., \$2.50 each, by express.

Weeping Willow

The well-known graceful Weeping Willow whose fresh green look and soft drooping branches make it one of the best loved trees. 5 to 6 ft., 60c, by express.

Chinese Elm

A variety of rapid growth, planted extensively in the arid sections of the West. Hardy and healthy. Well adapted for windbreaks as well as shade. 3 to 4 ft., 50c; 4 to 5 ft., \$1.00, by express.

Lombardy Poplar

Tall slender tree for formal planting. A rapid grower. At a distance the mature trees appear as tall sentinels. Dark green leaves with silvery surface below. Plant 15 to 20 feet apart. Note: The roots of this tree will not grow into and stop up sewers like the old Carolina Poplar. 5 to 6 ft., 35c each, by express.

Boston or Japan Ivy

(Ampelopsis Veitchi)

From Japan. A splendid plant for covering as it clings perfectly to the smoothest surface. The foliage is a bright glossy green, changing to bright tints of scarlet, crimson and orange. This is the beautiful covering which you see on brick walls. 2-yr., 50c each; 3 for \$1.00, postpaid.

Hall's Japan Honeysuckle

(Lonicera Halliana)

A strong, vigorous evergreen variety with pure white flowers changing to yellow. Very fragrant and covered with flowers from June to November. 2-yr., 35c each, postpaid.

NOTE: Write for Special Prices On Quantity Lots For Estates, Parks, Playgrounds, Etc.
